

From I have the Utmost Respect for my Opponent (who happens to
be a Godless Radical Marxist Sure to Destroy America), by Don
Zolidis

DESTINY, 16 – is canvassing door-to-door for her mother’s campaign.

DESTINY (*sighs heavily*)

Hello. Um... so my Mom is running for city council and she wants you to vote for her. I know you probably don’t care, and really it’s like whatever... but... I forgot what I was going to say – um...

(she takes out notes)

“Maggie Devers is a proven business leader who brings her experience to the role of the city council to... make things better by... doing something...” I don’t know. You want a pin? I know they suck. You want one? Okay fine – Fuck you. No seriously fuck you. When my Mom runs the City Council she’s gonna fucking destroy your ass! You think life is tough now, you think cause oh I live in a trailer and I ain’t got no education – you’re going to be fucking illegal, okay? SWAT team through your windows – we’re gonna like blindfold you and dump you in the river! Oh – what – oh okay you can have a pin. Tell your neighbors.
